October is **Backpack** Month.

October is our Month to provide **Backpacks of Hope** for some special kids at OP Earle School. This is a cooperative ministry of several churches in the Landrum area that helps provide food to children from homes that lack adequate food.

Blessing Box Update: The Blessing Box is feeding those in need and the whole community is able to be givers. Thank you, Jacksons Grove UMC for being so willing to keep God's box full.

Welcome to Jacksons Grove United Methodist Church of Landrum!

Our ministry here dates from the 1830s, when the family of Captain Thomas Jackson, a Revolutionary War veteran, established the congregation and built a meetinghouse on the site where our current sanctuary now stands. Our sanctuary and grounds evoke a long history of worship and service. Virtually everything in the sanctuary was built by hand, by local artisans who carefully selected materials that have stood the test of time. Those who worship at Jacksons Grove are privileged to have such a unique place of worship and are committed to keeping this historic church building as authentic as possible. The fieldstone markers in the adjacent cemetery suggest that it was in use long before the earliest documented burial in 1859. It is our hope that this meetinghouse will remain a simple place of quiet dignity and beauty where people may worship God in spirit and truth for generations to come. Please pick up a brochure and visit our website for a more complete history of our delightful church building. We are delighted that your path has led you here and would like nothing more than for you to share in the journey as part of our community.
